

**A Safe Place for All Ends with:
“Meeting Their Need” Pt. 3 of 3
Luke 10:30-37**

Introduction:

Meeting the need – is enabled when we walk in unconditional love and enter into the pathway of someone who has a need in their life. And instead of turning away or talking about them we use what we have to address the need without expecting anything in return.

“When we are in the pathway of the Lost, Fallen, or Failing, let us meet the needs of those we encounter earning the right to write on their hearts.”
